

SECTION 2

Major and Minor Scales for all Treble Clef Instruments

Bass Clef players turn to page 10, Percussion players see page 53

INSTRUCTIONS: At the beginning of each pair of scales (major and minor) will be found a series of **keys** and figures. The director should call the scales *by number only* and indicate concert pitch. For instance, if number 5 is called for, the B \flat instruments will look for B \flat -5, the E \flat instruments for E \flat -5, the C instruments for C-5, etc. A little study of these two pages will show that the scales for each different keyed instrument follow a regular order and are not difficult to locate. The director should also indicate whether Major or Minor is wanted.
